

WHAT ABOUT THE FUTURE?

We need help to continue offering excellent choices for conference attendees. Please consider volunteering to serve as a workshop leader or to co-lead an AMWA workshop with an established leader. If you wish to volunteer in another capacity, such as a short session or roundtable leader, separate calls for those will go out about 8-10 months prior to the Annual Conference each year.

AMWA's workshops are critical to the well-known and respected AMWA certificate programs. Information about becoming a workshop leader can be found on AMWA's Web site in the Education/Certificates tab. Based on leader feedback, they enjoy the stimulation and satisfaction that comes from helping their colleagues develop their professional knowledge and skills through AMWA's education.

If you are interested in becoming a workshop leader and/or co-leader please fill out the information below and return this form to AMWA by mail, e-mail, or fax:

I am interested in being a: **workshop leader** **workshop co-leader**

Name: _____

Address: _____

Phone: _____ E-mail: _____

If you have a topic in mind please indicate here:

Have you given this course before? If so, in what venue?

If you are interested in co-leading a workshop, please indicate the workshop title and leader here:

We appreciate you volunteering to share your expertise and assist AMWA in continuing our mission of promoting excellence in medical communication!
